STANDARDS FOR SCHOOL BUS RIDERSHIP AND OPERATIONS

- ✓ Student transportation is a privilege extended to students who qualify for transportation. Students who do not obey the state and local regulations governing student transportation may have their transportation privileges revoked by the school district or school principal.
 - ✓ Students who are compelled to walk a distance to meet the bus must walk on the side of the road to their left facing traffic, except on divided or multi-lane roadways.
 - ✓ Students will be on time at their assigned bus stop. The bus driver will not wait for students at the loading area.
 - ✓ Students will wait in a safe place, clear of traffic and away from where the bus stops. Students will wait in an orderly line and avoid "horseplay". When loading the students should clear the traffic area immediately.
 - ✓ The driver is in full charge of students when they are riding on the bus. The bus driver and assistant are authorized agents of the public schools and have the authority and responsibility to uphold the policies and to report any misconduct occurring on the bus.
 - ✓ The students must obey the driver promptly. In cases where a teacher or school administrator is on the bus, they are also authorized to enforce student discipline.
 - ✓ Students will not get on or off the bus while it is in motion. Students must remain seated, facing forward and keep aisles and exits clear.
 - ✓ Without the advance permission of a responsible school district official, students will not be permitted to leave the bus on the way to or from school except at their regular assigned stop or school.
 - ✓ Students will occupy the seats assigned to them by the bus driver.
 - ✓ Students will not be permitted in front of the passenger seating area while the bus is in motion.
 - ✓ Students are not to carry on unnecessary conversation with the driver while the bus is in motion.
 - ✓ Students will stay out of the driver's seat and will not tamper with any equipment.
 - ✓ Students will be courteous and obedient to the driver.
 - ✓ Students will cooperate with the bus driver in keeping the bus clean.
 - ✓ Students will not eat nor drink on the bus, with the only exception of bottled water.
 - ✓ Rough or boisterous conduct will not be permitted on the bus; however, students are permitted to converse in a normal tone of voice while in the bus. Students will keep absolutely quiet when the bus is approaching a railroad crossing and remain quiet until the bus is safely across.
 - ✓ Students will not use profane language or obscene gestures and will not eat any food or drink any beverage on the bus.
 - ✓ Students should remember that misconduct or carelessness not only endangers their own safety, but also the safety of other students on the bus. All misconduct will be reported to the proper school officials.
 - ✓ Students will not extend their hands, arms, heads or objects through bus windows.
 - ✓ Firearms, knives, explosives, breakable glass items or other dangerous objects, reptiles or animals (except those animals authorized by an IEP) are not permitted on the bus. No item that will block the aisle will be carried on the bus.
 - ✓ Students will not open or close the bus windows without the permission of the bus driver.
 - ✓ Students will not throw any item inside or outside the bus while boarding, riding or leaving the bus.
 - ✓ The use of tobacco, drugs, alcohol or controlled substances will not be permitted.
 - ✓ Students will not ride on the outside of the bus at any time or attach any item to the bus.
 - ✓ Parents or guardians will be held responsible for malicious destruction to the bus.
 - ✓ Any damage to the bus from any cause will be reported by passengers to the driver and the driver will, in turn report it to the proper school officials.
 - ✓ Students who must cross the road after unloading the bus must cross 8-10 feet in front of the bus to insure the student's safety. Students will cross only when the driver signals all is clear. The only exception to this rule is in urban areas where pedestrian crossings are provided at intersections and students will be instructed to cross after the bus leaves the unloading zone or when traffic signals direct them to cross.
