**B. Consider approval to amend the start date of Hybrid Learning for Elementary Schools  
- ACTION**

Member Rabon shared her thoughts and stated she would like to keep February 22 as the elementary school start date. Secretary Teweleit and Vice-President Sherwood both agree that elementary school students should begin on February 22 especially since this date has already been communicated to teachers, parents and students and to also give administration more time to be prepared. Member Torres also supports keeping the date the same for elementary schools. President Cadwallader would like to see elementary students return sooner, either on February 8 or February 16.

President Cadwallader asked the Board if they would consider changing the date to February 16; no board members were willing to change to a sooner date.

President Cadwallader made a motion to keep the original date of February 22, 2021 as the start date of Hybrid Learning for Elementary Schools. Member Rabon seconded.
