Re: Fire Alarm System

The Alamogordo Public Schools has determined that it would be in the best interest to cancel solicitation RFP 005-2021 District Fire Alarm Systems for the following reasons:

- Project information needed to be more clear within the scope of work
- Scoring criteria needed to be more in line with the scope of work.

The decision is made in accordance with **Statute 13-1-131** of the NM Procurement Code:

An invitation for bids, a request for proposals or any other solicitation may be canceled or any or all bids or proposals may be rejected in whole or in part when it is in the best interest of the state agency or a local public body. A determination containing the reasons for cancellation shall be made part of the procurement file. If no bids are received or if all bids received are rejected and if the invitation for bid was for any tangible personal property, construction or service, then new invitations for bids shall be requested. If upon rebidding the tangible personal property, construction or services, the bids received are unacceptable, or if no bids are secured, the central purchasing office may purchase the tangible personal property, construction or services in the open market at the best obtainable price.

And as stated in the original RFP documents under **termination**:

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the District determines such action to be in the best interest of the District.

The provisions of the New Mexico Procurement Code are to provide for the fair and equitable treatment of all persons involved in public procurement, to maximize the purchasing value of public funds, and to provide safeguards for maintaining a procurement system of quality and integrity. Alamogordo Public Schools adheres to these statutory objectives.
