Alamogordo Public Schools use internal and external media to highlight the APS experience in a variety of ways, which may include the use of photographs, videos and interviews of students. For example, student images, creative works and/or statements may be published or displayed in printed materials (such as brochures and newsletters), videos, District website, school websites, and information about school events and activities provided to external organizations, media outlets, and other nonprofit or education-related organizations for publication. Parents/Legal Guardians may grant or deny consent for the use of their child's name, photograph, image, likeness, voice, statements or creative work(s).

**You should grant consent if* you want to give permission for your child's photograph, image, likeness, voice, statements and/or creative work(s) to be used by APS on the APS District Internet website, individual school Internet websites, in APS or school publications, or in releases to school-related organizations (such as PTO, booster clubs, media, etc.). Such use will be without compensation.

**You should deny consent if* you do not want your child's photograph, image, likeness, voice, statements and/or creative work(s) to be used by APS on the APS District Internet website, individual school Internet websites, in APS or school publications, or in releases to school-related organizations (such as PTO, booster clubs, media, etc.). Such use will be without compensation.

I understand that if I agree to the terms of this policy, I am granting consent for use of my child's photograph, image, likeness, voice, statements and/or creative work(s) on the APS district's Internet website, individual school Internet websites in APS or school publications, or in releases to school-related organizations (such as PTO and booster clubs). I further grant consent to APS to permit my child to be photographed, audio/videotaped, or interviewed by the news media or other organizations for school-related stories or articles. I understand and agree that such use is without compensation and that APS may use such materials in subsequent school years unless I revoke this authorization by notifying **in writing** the Chief of Staff, Alamogordo Public Schools, P.O. Box 650, Alamogordo, NM 88311.

I understand that if I disagree with the terms of this policy, I am denying consent to use my child's photograph, image, likeness, voice, statements and/or creative work(s) on the APS district's Internet website, individual school Internet websites, in APS or school publications, or in releases to school-related organizations (such as PTO and booster clubs).

If you need to change your decision at a later date, you should **notify in writing** your school's administration office.
