Alamogordo Public Schools proudly announces the appointment of Pamela Renteria as Superintendent, effective November 16, 2023, for a contract through December 2024. Renteria, a dedicated and esteemed educator with a profound connection to the community, steps into the role with a wealth of experience and a heartfelt commitment to fostering academic excellence.

Settling in Alamogordo in 1988, she embraced the community and embarked on a remarkable educational career. Renteria's passion for education led her to New Mexico State University in Las Cruces, where she earned a Bachelor of Science Degree in Secondary Education Language Arts in 1997. Her teaching career commenced at Alamogordo High School, where she taught various grade levels, including AP Literature, chaired the English Department, and received recognition as the NAACP Teacher of the Year in 1998.

With a desire for a broader impact, Renteria pursued a Master of Education in Educational Administration from Eastern New Mexico University in 2017. She took on the role of assistant principal at Alamogordo High School, honing her administrative skills and contributing significantly to the school's success for four years.

In June of 2021, Renteria assumed the principalship at Mountain View Middle School, where her leadership fostered an environment of growth and learning. Her dedication led to her appointment as Deputy Superintendent of Teaching and Learning for Alamogordo Public Schools in January 2022. Her commitment to professional development is evident through her graduation from Principal's Pursuing Excellence, Cohort 7, and the Aspiring Superintendents' Academy, Cohort 14. She is a certified secondary English teacher and a proud member of the Rotary Club of White Sands.

Recognized for her leadership qualities and dedication, Renteria was named Acting Superintendent of Alamogordo Public Schools on February 13, 2023. Under her leadership, the district is focused on improving reading across all grades, creating opportunities for utilizing new technology, and meeting the needs of graduating seniors with strong academic and CTE programs at the high school.

"I am deeply honored to continue my journey with Alamogordo Public Schools as Superintendent," expressed Pam Renteria. "My entire 27 career has been driven by a passion for providing Alamogordo students with opportunities to thrive academically and personally. I am excited to collaborate with our exceptional teachers, staff, and the community to ensure every student reaches their full potential."

Pamela Renteria, happily married and a proud parent of three grown sons, embraces the opportunity to further serve Alamogordo's students, teachers, staff, and community.
