(See APS District Policy).*** The APS district reserves the right to modify the student handbook at any time. The district encourages parents to stay informed of proposed policy changes by reviewing newsletter and other communication explaining changes in policy or other rules that affect student handbook provisions.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that the Alamogordo Public School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child’s education record. However, the District may disclose appropriately designated “directory information” without written consent, unless you have advised the district to the contrary in accordance with District procedures.

Students Rights and Responsibilities

It is the responsibility of students and parents to inform themselves of current Board policies and of administrative and school rules regarding conduct that is subject to disciplinary action. The school district is a community, and the rules and regulations of a school are the laws of that community. The right to attend public school is not absolute. It is conditional on each student's acceptance of the obligation to abide by the lawful rules of the school community until and unless the rules are changed through established processes.

GENERAL INFORMATION

Parent Communication

All Middle School staff members welcome and encourage parent involvement in the educational process. Parents/guardians, as well as middle school students, are encouraged to use Power/School logins and the app to monitor academic records and attendance. This is located at <https://alamogordoschools.powerschool.com>. For more information about PowerSchool or for login information, please contact the appropriate Middle School.

If a parent/guardian wishes to make an appointment to speak with teachers, the counselor, or administration, they can call the office. Teachers, principals, and staff are generally available before school, after school, and during prep periods. Teachers and support staff are unavailable during instruction time. Phone calls and email are the primary forms of communication. Parents must follow a chain of command when addressing concerns. The first point of contact is the teacher, the second point of contact is the administration. If the issue is not resolved, a conference can be scheduled with the superintendent.

Check In & Out Procedures

All APS Middle Schools are closed campuses. Students may not leave at any time during the school day (including lunch periods) or with anyone unless they are listed in Power School and check out at the office. Parents or guardians who need to check out a student during the school day must do so at the main entrance. A valid, official photo ID is required. Students may be signed out only by a legal parent/ guardian or individual (18 years or older) who is pre-designated by the parent/guardian with "School Pickup" rights documented in the students PowerSchool account. Emergency contacts will only be utilized when a parent/guardian cannot be reached.

Students who are ill may also be released through the nurse's office. Any release of students will comply with Alamogordo School Board Policy.

Any student who leaves campus at any time will be considered truant unless they have been appropriately signed out by a legal guardian or a person authorized by the parent or guardian.

The principal can approve checkouts via telephone ONLY during emergencies. Written notes sent with a student will not be honored without phone verification and/or email. The school has the right to deny a student from checking out if parent contact is not made. The school has the right to ask for identification of anyone wishing to check out a student. Only individuals listed on the enrollment form will be allowed to check out students.

Student Arrival at School

Students should not come to school earlier than the supervised time determined by each individual Middle School. The doors will be open at the published time for student entrance if they are eating breakfast. They are not to enter the building earlier unless they have to conduct business with faculty and staff. During inclement weather, the doors will be opened earlier for students to shelter in the appointed area.

Upon arrival at school, students should go to the cafeteria (if eating breakfast) or the designated outdoor area. No student will be allowed to leave campus after arrival without consent of parent, guardian or principal.

Late Arrival/Early Pick up

Students arriving late to school in the morning are required to sign in at the Main Office (Refer to Tardy Policy).

Any parent/guardian who wishes to pick up their child during school hours, must report to the front office, show identification, be on the student sign out list and physically sign the student out. Parents/guardians must sign the student back into school if they return during the school day.

Visitor on Campus

The 32nd Legislature of the State of New Mexico has passed extremely strict laws regarding trespassing on school property. The law makes unwarranted trespassing a criminal offense; therefore, all visitors will be required to have a pass from the office before visiting any area on any of the Middle School campuses. Adults wishing to visit classes or individuals while school is in session must have permission issued from the Principal's Office (in accordance with APS School Board Policy). Students from other schools, friends, or relatives, are not permitted to spend time visiting classes at any of the Middle School needs. An

individual who is on school property without the approval of the principal may, for cause, be referred to law enforcement.

Leaving a Message

If a parent/guardian needs to get a message to their student, the parent/guardian must call the Middle School office before 3:10 PM to leave a message on Monday, Tuesday, Thursday, or Friday and before 1:10 on Wednesdays. This ensures that the student will receive the message.

Conduct at School Events

Attendance at school-sponsored events (on or off campus) is conditional upon the student's observance of school policy. Violators of this rule will be ordered to leave the event. In case of a serious violation involving alcohol, drugs, fighting, etc., parents will be contacted, and law enforcement officials will be notified. Violations of this rule are grounds for disqualification from future school sponsored events.

Pledge of Allegiance

The Pledge of Allegiance shall be recited daily by students in each public school. Students will have the right to refrain from participation in recitation due to sectarian, denominational, or conscientious views; however, the exercise of the right may not interfere with the rights of others.

Safety Drills and Procedures

Throughout the school year the Middle Schools will be executing several different types of emergency drills (fire, lockdown, and shelter in place) to ensure that our campuses are prepared for anything. Please be aware that you or your child may view additional safety officer's and emergency personnel, etc. present at our campus, but not to panic as their presence is to help and assure the campus is always safe at all times and proper protocol was followed during emergencies or drills. Emergency and evaluations drills are scheduled and conducted according to the school timeline required by APS district policy.

Search and Seizure

Students possess the right of privacy of person as well as freedom from unreasonable search and seizure of property as guaranteed by the Fourth Amendment. However, this right is balanced by the school's responsibility to protect the health, safety and welfare of all its students and staff. ***A search may be conducted with "reasonable suspicion that a crime or breach of disciplinary rules exists." Students and their personal effects may be searched when it is determined reasonable to do so.*** Items which

threaten the safety or security of others or which disrupt or interfere with the educational process are subject to seizure with disciplinary action implemented.

Fund Raising Projects

Middle School students will only be allowed to conduct fundraisers (candy sales, raffle tickets, etc.) for their Middle School activities. All fundraising activities must be approved in advance per school and/or board policy.

Lost and Found Department

Students will not bring large sums of money or items of value to school. The school will not assume responsibility for articles damaged, lost, or stolen. The lost and found items will be kept in a designated location. Articles of value will be kept in the main office. Articles found should be turned in to the Main Office.

Deliveries

All middle schools have limited personnel; therefore, any deliveries need to be pre approved by building administration. Please check with your middle school prior to scheduling any deliveries.

Dances

Student dances will be approved by the principal. Unless indicated otherwise, dances will be restricted to only students who attend that middle school. Once a student enters the dance, if he/she leaves, they will not be allowed back in. ***Parents are encouraged to pick up their children no later than ten minutes after the end of the dance.*** Students receiving discipline office referrals or any severe discipline infraction involving OSS of any type, may not be allowed to attend the dance. The Dress Code and all school policies will apply.

Transportation

- **Bus Regulations**

Under state statute, students are eligible for school bus transportation, if the distance from their place of residence to school is at least 1.5 miles. Bus students are considered on campus while on route to and from school. Upon arrival at school no student may leave campus unless properly checked out in the Attendance Office. It is imperative that students be prompt in boarding and exiting the bus. Student regulations regarding buses are distributed to students on registration day.

There is no bus transportation at Holloman Middle School.

Students who use school transportation for field trips, extracurricular or sports activities must follow all rules and regulations.

- **Student transportation (bicycle, scooters, skateboard)**

It is recommended that student(s) wear a helmet when riding a bicycle, scooter, or skateboard to school for safety. Bicycles/scooters will be required to be secure (lock combination) outside the building in the bike rack. Skateboards will be required to be dropped off at the front office at the beginning of the day and picked up at the end of day. Students will not be allowed to carry skateboards inside the facility.

Vacations

We are concerned with your child's academic process. Vacations are discouraged during the school year due to loss of critical subject knowledge and concepts presented. Therefore, vacations are not considered a reasonable excuse from school. Special consideration will be determined by the principal of the campus. If a family goes on vacation, an advanced absence form should be filled out by the parent so that the student has the assignments he/she will need prior to leaving so that they do not fall behind.

Virtual Days

If, in the event, that a Middle School is required to go virtual, students are required to attend virtual classes on their regular bell schedule using the Google Classroom Meet Link. Teachers will take attendance throughout the day and provide live classroom instruction unless otherwise noted by the teacher with Google Classroom.

Withdrawal from School

Parents and/or guardians must initiate withdrawal from school in person. A withdrawal slip may be obtained from the school office. Textbooks and Library books must be returned. All school property must be returned, and all fines must be paid before records will be released to the next school attending. Report cards will be issued when the withdrawal process is completed by the office.

ATTENDANCE POLICY

Attendance for success

TRUANCY / CHRONIC ABSENCE

Interventions for Student

Chronic absence differs from truancy in that it tracks both excused and unexcused absences.

The district shall provide interventions for students who are missing school, depending on the number of

absences.

Individual prevention is called for if a student misses 5% or more but less than 10% of classes or days of school. For elementary school absences the parent is to be contacted by the attendance team for discussion, middle school and high school absence discussions by the attendance team are to be with the parent and student.

Attendance Team

1. Must include: administrators, teachers, staff (counselors and nurses), and community members whose responsibilities

will include:

- Recommending evidence based metrics to provide early identification of students at risk of chronic or excessive absenteeism.
- Developing and implementing an attendance improvement plan that;
 - Keeps students in an educational setting
 - Assists a students' family to remove barriers to the student's regular school attendance or attendance in another educational setting
 - Provides additional educational opportunities to students who are struggling with attendance

Establishing intervention efforts to keep students in an educational setting which will permit withdrawal, suspension or expulsion only after exhaustion of these efforts for absence related actions.

- Examining for accuracy class attendance records, absence reports, and documentation required for all absent students.
- Assessing community based organizations that may provide services to students in the way of support and intervention regarding attendance issues and encouraging school sharing of compliant data in accord with the FERPA exceptions.

Student attendance is our priority and research has shown that student absences directly affect their future success. In accordance with the Student Success Act (HB 236) , student attendance will be monitored based on the percentage of days missed (excused & unexcused) of total number of days school is in session. We will be putting interventions together based off of those percentages as follows:

STEP 1

0-5 percent days absent - Whole School Prevention (For any reason) - Universal strategies to keep students engaged and involved in daily school attendance.

STEP 2

5-10 percent days absent - Individualized Prevention (For any reason) - Targeted strategies for individuals who are missing 5 percent or more, but less than 10 percent of classes or school days for any reason. This will include parent contact, collaboration on interventions to remove barriers of being at school all day, every day.

STEP 3

10-20 percent days absent - Early Intervention (For any reason) - Interventions for students who are missing ten percent or more but less than twenty percent of classes or school days for any

reason. This will include a review by the attendance team and a written notice to parent to meet to develop intervention strategies that focus on keeping the student in an educational setting to include weekly progress monitoring and a contract for attendance (HB236a/pg. 21).

STEP 4

20 percent or greater - Intensive Support (For any reason) - Interventions for students who are missing 20 percent or more of classes or school days for any reason. Interventions required may include mandated referral to the Juvenile Probation Office/Children Youth and Families Department.

Daily Attendance

All absences (excluding absences for school sponsored activities) must be documented by a phone call or written note from the parent/guardian on the day that the student returns to school. The written note must include student name, grade, dates of absence and the parent/guardian signature with a contact number.

- School sponsored or official activities are those monitored by certified personnel or of which transportation is provided or those sanctioned and approved by school administration. **A student must attend all classes on the day of a school-sponsored activity.**

All Middle Schools strongly encourage parents to periodically check on their student's attendance. Students or parents should notify the school of any changes in legal name, home address, or phone number in writing. Parents are encouraged to keep this information current in the event of an emergency. Any corrections to the data must be completed at the appropriate Middle School with a "Change of Information Form" and a valid ID.

A. Attendance Procedure

When a student is absent, the parents shall call the Let's Talk Line at (575) 812-8573 the day of the absence in order to advise the school as to the reason for the absence, if a telephone is available. When it is impossible to call on the day of the absence, the school should be notified on the morning the student returns by signed parental note, in time for the student to obtain an admission approval prior to class time. All absences not verified by parental or administrative authorization will be considered unexcused. If a parent does not have access to a phone, either at home or at work, a note or an email will be accepted for verification purposes.

All personnel will solicit cooperation from parents in the matter of school attendance and punctuality, particularly regarding the following:

- The scheduling of medical and dental appointments after school hours except in case of emergency.
- The scheduling of family vacations at the end of the school year. Other extended absences will need approval by the building principal.
- For absences greater than one day in length, the school should be notified each day of the absence.
- If a student is absent for three (3) or more consecutive school days, the school shall contact the student's parents/legal guardian, if possible, no later than the close of school on the school day the three-day period. A written notice shall be dispatched if telephone contact has not been made. The provisions of this section do not apply to any absence if the parent, legal guardian, or custodian, prior to the end of the three-day period, has contacted the school to explain the absence.

STUDENT SERVICES

Counseling services

The counselor is available to students to talk whenever they need advice with academics, social, emotional, or career concerns. The student must have a teacher pass to visit with the counselor. Students should not go to the counselor without a teacher's pass during the school day. Students may also see a counselor before or after school.

Nurse

A Professional School Nurse (**RN**) is assigned to our campus. In their absence, a health assistant will be available to provide limited medical services. The school nurse always maintains an open-door policy and is available as a reference/resource person regarding any area of health. When students become ill during class, the teacher will send the student to the nurse with a nurse's pass. Minor injuries and illnesses should wait till the last 10 minutes of class to avoid disruption in the education process. If you need to go to the Health Office because you are feeling ill, you are injured, or you need medical attention, you will be required to have a pass signed by your teacher. The pass must have the date, time, and the teacher's signature written on it.

Going Home from the Health Office: If the school nurse or health assistant determines that your illness/injury is such that you need to go home; fever 100.0, vomiting (witnessed),

diarrhea (observed), or at the RN's discretion per APS policy. They will call your parent/guardian and request that you be picked up at school. You may leave only with the individual(s) whom your parent/guardian has designated in writing. This designation is on file in the Office. If your parent/guardian cannot be contacted, the school will access the appropriate emergency services in order to meet your medical needs.

Students are not to call/text their parents from their cell phone to pick them up if they feel sick or for any other reason. Only the nurse or an administrator can release a student to a parent.

Medications/ Treatments: It is the responsibility of the parent/guardian to provide current medical orders to the school with information on how to carry out proper medical procedures required by their child. All medications must be given to the school nurse. No medication is to be in a student's possession while at school, including cough drops. The nurse will only store and administer prescribed medication if your child has a current year physician's order. It is the student's responsibility to take medication at the proper time in the health office. Students are to report to class during passing periods between classes and ask the teacher for a nurses' pass before going to the nurse's office.

Any student that carries an inhaler must have a current year Asthma Action plan doctor's order allowing for students to carry and/or administer the medication.

Immunizations: The school nurse will send out letters to parents when booster shots are needed. Parents/guardians must provide written documentation of current vaccinations in order for their child to be able to attend school.

Health information: At registration you will be asked to complete a health concerns questionnaire for your child. This information will be used to plan the health care needs of your child during school. We must have an accurate record of any medical problems, allergies, previous illnesses, or any health concerns. A physical exam before starting school is a good idea, but not required. The school nurse will review all student concerns and will send a follow up letter or call to get more information as needed to develop a plan of care. It is imperative that you give us the most updated information in order for us to provide the best services possible for your child. If your child has a potentially life-threatening condition, we encourage you to speak directly to the health office personnel in person or by phone at 575-812-6204.

PowerSchool

PowerSchool is the Middle Schools' student information system, which is used for registration, viewing grades, and checking attendance throughout the year. Parents will need to set up an account to complete continuing student registration at the beginning of every school year and fill out corresponding forms. Parents can monitor their student's academic records and progress at <https://alamogordoschools.powerschool.com> . Parents can also download the PowerSchool mobile app for convenient access to real-time student information. For more information about PowerSchool or for login information, contact the Middle School office.

School Registration – registration is online through PowerSchool. Visit our website for information and dates www.alamogordo.schools.org.

Student ID badge

Each student needs to obtain a student ID card from the principal office at Holloman Middle School. There is no cost for the identification badge.

- The I.D. badge must be visual at all times.
- Students are not permitted to alter their I. D. badge in any way.
- Student badges are meant for the sole use of the person indicated on the badge and under no circumstance may a student permit their I.D. Badge to be used by any other person.
- Students who have lost or forgotten their I.D. Badge must inform the building's main office immediately upon arrival at the school or building, at which time they will be issued another badge temporarily.
- Students who repeatedly report to school without their identification badges, or refuse to wear the badge, may be subject to disciplinary action in accordance with the Middle School discipline policy.

Progress Reports

Student's progress is continually available and updated in PowerSchool. Teachers will make every effort to contact parents of students at risk of failure. However, parents/guardians are encouraged to request teacher conferences whenever they have a concern about their student's progress. Report cards are issued at the end of each quarter.

The student information has a parent portal. Parents must present a photo ID to the guidance office for a PIN #. "PowerSchool" provides access to students grades, attendance, and assignments.

Technology (Chromebook, Hot Spots, Internet Usage)

In accordance with the Child Privacy Act of 1998, for a student to gain access to the Internet, he/she must obtain parental permission as verified by signatures on the accompanying contract for Student Computer Use. These copies will be on file at each Middle School.

The student will treat each computer/Chromebook/smartboard/Promethean Board, etc. with respect. Students are responsible for appropriate behavior on the school's computer devices and network. It is expected that users will comply with district standards and the specific rules set forth in the contract. The use of the network and all devices is a privilege, not a right, and may be revoked if abused. The user is personally responsible for his/her actions in accessing and utilizing the school's computer resources. The students are advised never to access, keep, or send anything they would not want their parents or teachers to see. All school computers and devices will be used only for school-related activities (homework, classwork, research, projects, etc.) The student will work only in those areas of information that have been approved by his/hers supervising teacher(s).

- A student's personal computer will not be allowed at any of the Middle Schools, nor will a personal computer be allowed access to APS internet Hotspots.
- APS Chromebooks can be checked out to take home per APS District Policy.

Homework

Students with short-term absences may make up work when they return to school. Requests for homework for students with excused absences will be honored on the third (3) day of excused absences. Requests for makeup homework should be made through the teacher or Guidance Office between 8:00 and 8:30 AM if homework is to be picked up on the same day. Parent requests made early in the day will allow the teachers time to prepare the homework and not interfere in the instructional part of the teacher's day. Failure to call by 8:30 AM will result in homework being picked up the following day. Students will be given "a day for a day" to complete make-up homework for excused absences.

Lengthy absences (for reasons other than illness) must have prior approval from the principal. The advanced absence form must be filled out and turned in to the office explaining the reason for the absence before the student receives his/her homework from the teachers. Consequently, this homework is due to the teachers immediately upon the student's return to classes.

Students will be granted credit for make-up work due to absences for school-sponsored activities and should make arrangements with their teacher(s) to complete the work. ***Out-of-School Suspended students will be provided makeup homework as requested.***

Hall Pass

If a student wishes to go to the nurse office, or a counselor during school or between classes, the student must go to class first and then request permission from the teacher. ***All students out of class will be required to have a written/designated pass.***

Tardy Policy

Students arriving in the classroom after the tardy bell are considered tardy. Tardies will be addressed by each student's individual teacher. Three tardies will be addressed by lunch detention for the student. Five tardies in one class period will earn one day of lunch detention. If a teacher or staff member detains a student, it is the student's responsibility to get a note from the responsible teacher causing the tardy. Excessive tardiness can result in referral to the Principal and further disciplinary action.

Restroom Policy

During classroom instruction just one student can leave the classroom at any one time to use the restroom (emergencies will be addressed immediately). A restroom pass can be obtained from the classroom instructor. Students may be required to sign in and out to limit the amount of time a student is allowed out of the classroom. During lunch periods, students may use the restrooms in the designated area. ***STUDENTS SHOULD ALWAYS ENTER AND LEAVE THEIR CLASSROOM QUIETLY.***

Dress Code Guidelines (STUDENTS MUST ADHERE TO THE FOLLOWING)

Proper dress is an extension of home, school, and a student's self-esteem. Responsibility for the dress and appearance of students enrolled in the Alamogordo Public Schools primarily rests with parents/guardians and the students themselves. Some student attire, however, may not be appropriate to wear to school, even though that same attire may be appropriate to wear in other settings.

B. Dress Policy Resource Available

- Belts or appropriate shirts/pants may be loaned to the student to adjust or correct dress code infraction.
- APS has a washer and dryer available to assist parents/guardians when needed.

Note: The principal or the principal's designee is the final authority for interpreting whether student attire conforms to the dress code. If dress is inappropriate, the student will be advised by the principal to change dress or appearance before returning to school the next day and the parents will be notified. In extreme cases, the parent/guardian may be asked to bring an appropriate change of clothes to school immediately, or the student may be sent home to change. Principals have latitude to increase or modify expectations in the district standard of dress and appearance.

C. Dress Code for Physical Education

- Appropriate PE clothing should be worn for participation in physical education classes. Appropriate shoes are required for participation in PE class.

Phones (Cell, Earbuds & Watches)

Student cell phones, earbuds, and phone watches are not allowed to be used on school grounds during the instructional day. ***They must be silenced or turned off and put in the student backpack or out of view.*** Earbuds may be used for classroom instruction purposes only (i.e. class video, Lexia, ALEKs, etc.) as permitted by the teacher.

Students may use their cell phones, earbuds, and watch phones on school grounds outside of the instructional day. Each building administrator will define what constitutes the instructional day.

A. Phone Consequences

The following procedures and consequences apply if a student is caught with their cell phone during instructional time:

1. **First Infraction**: A teacher oral warning is given.
2. **Second Infraction**: The parent/guardian is given a courtesy call concerning the phone issue.
3. **Third infraction**: The cell phone/earbuds/watch phone are turned over to the office. The student will be required to take the phone to the office and will be allowed to pick up the phone/earbuds only after school.
4. **Fifth infraction**: If there continues to be a phone issue with the student, the discipline action will take place at the administration level.

NOTE: Any student caught taking photo and/or video tape of others during school time is strictly prohibited. This includes the classroom, restrooms, in the cafeteria, gym, or on the patio. Students caught videotaping and posting to social media during school hours will lose their privilege to have a cell phone with them at school for the school year.

The purpose of discipline is to foster responsibility, independence, positive attitudes, and self-discipline. The best discipline is self-control that is based upon understanding limits and one's freedom and actions as they relate to others.

Efforts will be made to communicate with parents to help prevent further misconduct by students. Mediation counseling may be used as a proactive measure before school or class rules are violated. Severe misconduct or repeated misconduct will obviously result in more severe consequences.

Students failing to serve any assigned consequences will receive additional consequences until the original consequence is served. A student who becomes a classroom behavior problem may be referred to the principal. A combination of disciplinary actions may be used. Referral to the guidance office, community resources, law enforcement, and/or juvenile probation may also be included in any action taken.
